

## **TRAINING ARRANGEMENTS**

Managers and coaches are free to make their own arrangements for training evenings, adopting a time and day suitable to them and players/ parents.

There are limited all weather facilities in Letchworth, and the most widely used by Letchworth teams is at Letchworth Corner Sports Club, Whitethorn Lane Letchworth.

Terry Morris will arrange for slots to be booked at Sports Corner or the new facility at Knights Templar school Baldock. If you want to change your slot please contact him.

Other facilities are available at St Christophers School or our ground at Pixmore during the summer months. When training at Pixmore players shall not use the playing pitches.

The club will not be responsible for payment, and self financing training fees must be collected from participating team members, preferably on a weekly basis. Training fees are NOT included in the annual subscription. Accounts must be settled promptly, and not allowed to build up to large arrears. Managers will be personally responsible for payment. On the basis of past experience it is vital to monitor use and carefully check monthly accounts. Try to always pay by cheque, but if you pay by cash a receipt MUST be obtained, otherwise you could face an unwanted further bill!

A full record of training fees should be provided to the Treasurer for inclusion in the annual accounts.
